**New Life Christian Center is Relocating to Columbia County**

I know that for some of you the announcement of the proposed sale of our building to Wal-Mart may seem like a “suddenly”, but for those who have been with us for several years; this is just the next step of our journey that started many years ago. This is the next phase of seeing a dream become a reality! Some fifteen years ago, when New Life was only one-year-old, God worked a miracle and blessed us with the finances to purchase 32 acres of land on Lewiston Road in Columbia County. This area is now known as the Gateway. Only God in His infinite wisdom knew what Lewiston Road would become and now we have the opportunity to begin Phase 1 of our dream come true! This is our first endeavor at building a brand new facility. We are excited that this new facility will reflect the Glory of God, both on the inside and on the outside. As we continue preparing for this transition into Columbia County, we know that God has a plan and He will direct us along the way. Thank you for your patience with us as we make this transition. Let us all “grow” together as we press toward the Mark of the High Call!
